

Erratum to: The Trial to Reduce IDDM in the Genetically at Risk (TRIGR) study: recruitment, intervention and follow-up

The TRIGR Study Group

Published online: 7 June 2011
© Springer-Verlag 2011

Erratum to: Diabetologia
DOI 10.1007/s00125-010-1964-9

Unfortunately the ESM for this paper was incorrect. The corrected ESM Table 1 contains a list of the TRIGR Study Group Investigators and the corrected ESM Table 2 contains a list of TRIGR administration centres, and participating countries and centres.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00125-010-1964-9>.

Electronic supplementary material The online version of this article (doi:10.1007/s00125-011-2209-2) includes details of the TRIGR Study Group Investigators, plus a complete list of TRIGR administration centres, and participating countries and centres, and is available to authorised users.
