It was brought to my attention that the name *Anemia lepigera* (Baker) Christenhusz was erroneously based on *Mohria lepigera* Baker, a name based in turn on ‘*Notochlaena’ lepigera* Baker. The name *Anemia lepigera* therefore needs to be validated, which is done here.

*Anemia lepigera* (Baker) Christenhusz, *comb. nov.*
Basionym:—*Notholaena lepigera* Baker (1884: 53), as ‘*Notochlaena lepigera’*.  
Type:—MALAWI. Dzomba, Zambesia, 6–7000 ft, September 1859, Dr Kirk (K!; 2 sheets), figure 1.
